About Your

Our instructor isn't your typical teacher. He is self-taught, having honed their skills entirely through YouTube & online resources. This unique path means they can share fresh perspectives and the latest online trading strategies you won't find in textbooks.

This self-taught approach means they not only know the theory, but also the ins and outs of finding quality information in the vast online world.

Steve Nison, acknowledged as the authority on candlesticks, holds the distinction of introducing Japanese Candlestick Charting to the Western world. Indeed, the foundation of all candlestick information in America and Europe is based on Mr. Nison's work. Regarded as one of the most foremost technical analysts in the world, Mr. Nison is not only a master of these previously secret candlestick techniques, but is also an expert on Western technical analysis with over 30 years real world experience.
